 M&A Air Conditioning Ltd

M&A Air Conditioning Ltd

was established in 19 April 2010

We specialise in the design, installation, commissioning and after-care services for air conditioning, heating and ventilation systems for the residential, commercial sectors.

Our company have built a reputation for providing a fast, friendly and professional service, delivering systems which are tailored to optimise project quality, cost and programme objectives.

Our service is underpinned by close working relationships with suppliers and manufacturers of quality equipment coupled with detailed knowledge of product performance across the wide range of available systems.

Our main activities:

- Air Conditioning, Ventilation systems supply
- Air Conditioning, Ventilation systems installation
- Commercial Air Conditioning, Ventilation systems Repairs & Maintenance
- Industrial Air Conditioning, Ventilation systems
- Repairs & Maintenance

Our fields of air conditioning installation expertise include:

- Single and Multi split systems – floor or wall mounted, ceiling mounted, ceiling suspended, etc.
- VRV Systems – Variable Refrigeration Volume technology
- VRF Systems – Larger scale and high performance multi air conditioning systems.
- Server Room Units
- Close Control Air Conditioning

Extensively trained and fully certified engineers

All of our engineers are fully trained and certified as regards the safe handling and disposal of refrigerants used in air conditioning systems and we hold a full F-Gas Company Certificate as required by law since July 2011.

We also place a great deal of emphasis on ongoing training for our engineers, with regular attendance of air conditioning equipment manufacturers' own courses keeping them firmly up-to-date and familiar with cutting edge developments in the industry.

Customer Testimonials

If you would like our latest list of references, copies of recent case studies of air conditioning installations in UK, or you would just like to speak to a customer or two with applications similar to your own, please let us know. Word of mouth has always been our best advertisement.
